WARNING: IT'S VERY EASY TO GET LOST! TURNS ARE EASY TO MISS!!

DIRECTIONS: These directions begin just outside of Cornelia, GA on Hwy 441 (also known as Hwy 365 / Hwy 23). From Hwy 441/365 take the Clarkesville - Hwy 197 Exit and make a RIGHT (go South) at the stop sign onto Hwy 197 (technically Hwy 197 ends as soon as you turn south off the exit ramp, but we will still call it Hwy 197). Take "Hwy 197" south for 2.5 miles. From "Hwy 197" turn RIGHT (West) onto Dicks Hill Parkway. Take Dicks Hill Parkway West about 1 mile & turn LEFT (South) onto Lake Russell Rd / FR59 (this road is just after the bridge. there is a BP gas station on your right as you turn left). Take Lake Russell Rd (FR-59) about 2 miles. This road declines a lot & is very curvy. You will eventually see a sign on the left side that reads "Lake Russell Recreation Area" with an arrow that points LEFT to the "Group Use Area". TURN LEFT HERE. This road is called FR-591. Take FR-591 a few hundred meters until it forks. Take the LEFT fork to the lock gate. Open gate (then close when done) and drive approx ½ mile back to group campsite on right. Turn RIGHT and drive across a small bridge to get to the parking lot. WELCOME!
